Assisting Households  
Impacted by COVID-19

## Welcome to the application portal for Emergency Mortgage Assistance (EMA)

If you've been unable to pay your mortgage due to COVID-19, we're here to help you. It's important to reach out to your mortgage servicer on a regular basis about your situation.

Funds are limited so complete your application as soon as possible. Only one application per household is allowed and an application is not a guarantee of assistance.

If you are approved, you will receive a grant of up to \$15,000 that will be sent to your servicer to be applied against your mortgage. You may receive less than \$15,000.

If you need assistance with the application process, please visit one of our Community Partners listed in the Resources button below.
