Dear Mr. Silverman:

It is my understanding that you represent the Village of Elwood. In response to inquiries to the City of Joliet regarding extension of the Elwood/Joliet Boundary Agreement, we are requesting said discussions be postponed until next year (2019) because the boundary agreement does not expire until December 31, 2019.

Please pass along said correspondence to your client. If you have any questions, feel free to contact me.

Respectfully submitted,

Martin J. Shanahan, Jr.
