Good Afternoon Mr. Fromer,

This email is in response to your FOIA request relating to:
The most recent revision of the annexation agreement between Compass Business Park/East Gate/Northpoint and Elwood.

Response:

Your request is denied in that Section 7 (1) (f) exempts "preliminary drafts, notes, recommendations, memoranda and other records" in which opinions are expressed, or policies or actions are formulated and the record has not been publicly cited and identified by the head of the public body. The document your are requesting contained within the Village record contains materials exempt from disclosure. The draft annexation agreement is a preliminary draft in the decision-making process and exempt with respect to the "deliberative process".

The person responsible for this denial is Julie Friebele FOIA officer. You may appeal this denial to the Illinois Attorney General Public Access Counselor:

Sarah Pratt
Acting Public Access Counselor
Office of the Attorney General
500 S. 2nd Street
Springfield, Illinois 62706

You also have the right to judicial review of this decision.

Very truly yours,

Julie Friebele
