Good Afternoon Ms. Gallagher,

This email is in response to your FOIA request relating to:
During the January 2018 public meeting, Trustee Lab requested a revised study from Ehlers. Under the Freedom of Information Act, please provide a copy of that revised study.

Response:

There is not a revised study from Ehlers. Therefore the Village does not have any records responsive to your request.

Thank you,

Julie Friebele

During the January 2018 public meeting, Trustee Lab requested a revised study from Ehlers. Under the Freedom of Information Act, please provide a copy of that revised study, and it wouldn't hurt to make it public either.

Thanks,
Erin Gallagher
