Eric,
Yes, we definitely would, in fact I have about 6-10 staff members and board members that would appreciate the ability to go on the tour.

The new ComEd service for BNSF at the LPC Intermodal Facility is located at the main entrance at 26664 South Baseline Road (or International Port Road).

Mike Sharp asked me to send this to you per my conversation with him this afternoon. Our understanding is that the Village of Elwood will not be inspecting the equipment prior to ComEd energizing it.

If you need anything else, please let me know.

RE: Electrical Service Approval

September 27, 2016

This letter serves as approval for electrical service at BNSF, LPC Intermodal Facility main entrance located at 26664 South Elwood International Port Road (previously Baseline Road) Elwood, IL 60421. Equipment and connections are not required to be inspected by the Village of Elwood electrical inspector as BNSF is a federally regulated property.

I haven't asked the board yet since time of day may matter to some of them. I would guess not more than 10. If you want, you can give me a maximum number. Or if we get a date and time I can get an exact count.
