Good Morning Colleen,

In answer to your follow up to include an additional address 20511 West Millsdale Road in the original FOIA request for several properties.

Building permits consisting of site plans/building plans (if available in 8-1/2 x 11 size), demolition permits, records of underground/aboveground storage tanks, chemical spills, records of prior tenants (if available), any records on asbestos removal, mold remediation or vapor mitigation.

20511 West Millsdale Road is not within the village boundaries of the Village of Elwood, therefore we have no records to respond to your request.

Also, confirming all other properties requested are not located within the village boundaries of the Village of Elwood, therefore we have no records to respond to your request.

Thank you,

Hi Julie,

Thank you for this response! I just wanted to follow up on this request. First of all, I forgot to include an address in my initial request – could you also check for any records relative to 20511 West Millsdale Road?

Also, I just wanted to confirm that you do not have any historical records for any of the properties located outside of the Elwood boundaries? I ask because we are under the impression that all of these properties were previously located in Elwood.

Thank you!  
Colleen
